BYGGFÖRETAGEN

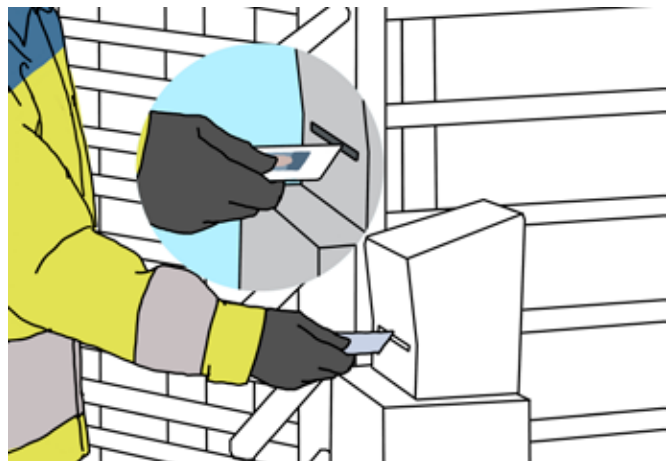

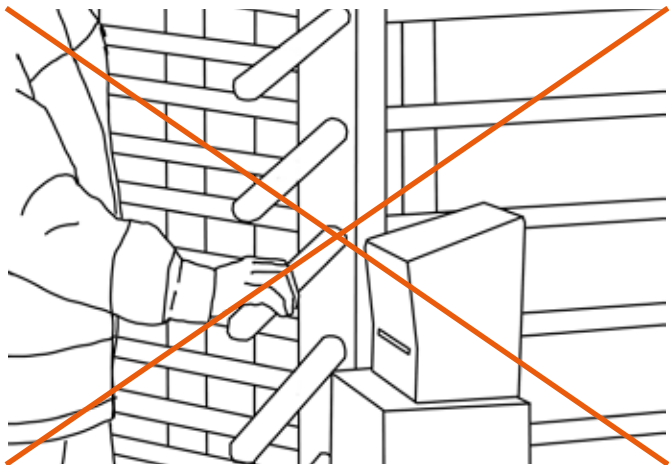

Byggföretagen verkar för att höja kunskapen och kompetensen inom säkerhet. Genom att inte ta genvägar och arbeta med värderingar skapar vi en god säkerhetskultur på våra arbetsplatser.

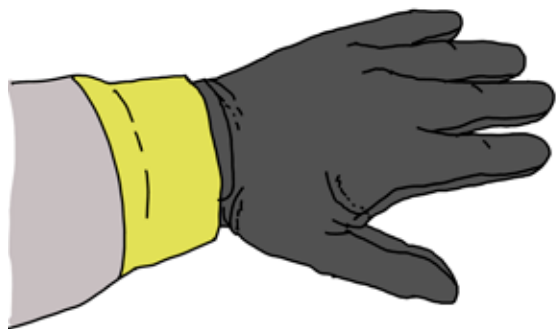

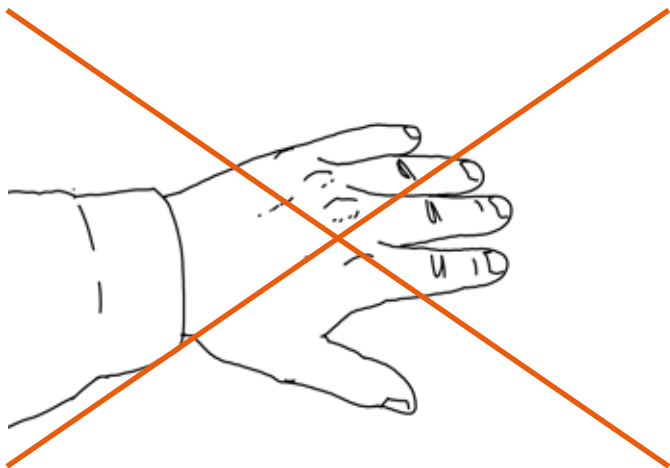

Internationellt sett betraktas arbetsmiljön i bygg- och anläggningsbranschen som föredömlig. Sverige har färre arbetsplatsolyckor, lägre sjukfrånvaro och högre trivsel än många andra länder.

Byggföretagen är stolta över att ha säkerhet som ett prioriterat fokusområde.

Byggföretagen är bransch- och arbetsgivarorganisationen för seriösa bygg-, anläggnings- och specialföretag verksamma på den svenska byggmarknaden. Våra medlemmar finns i alla storlekar och verkar över hela landet.

Vi jobbar för att förbättra villkoren för våra egna medlemsföretag och bygg- och anläggningsbranschen i stort. Tillsammans bygger vi Sverige på schyssta grunder.
